Special notes: ¹These do not roll over year to year. ²Includes one adjustment per month. "Cost per Class" calculations are estimates and are based on the assumption that you will attend the number of classes specified in that membership per month. Payment Terms & Activation Date: The first month of membership must be paid prior to the first CrossFit class. The activation date will be the date of the first CrossFit class. Cancellation Policy: All of the above memberships are contractual and cannot be canceled before the full term of the membership, except in the case of medical issues with valid documentation or change of address. All contracts can be put on hold for any reason for a max hold period of three (3) months.
